

## WORLD CHAMPIONSHIP 2017 NATIONAL TEAM REGISTRATION FORM

The EPBF would once again like to welcome teams from all over the world, as we host our 2017 World Championships across all four categories: Men's, Women's, Under 19s and Veterans.

We'd also like to take this opportunity to invite interest for a disabled category, to potentially be hosted in Bitburg (Germany).

Furthermore, we would like to show our commitment and dedication to the next generation of player. One of our goals moving forward is how to structure and develop our youth player base, and we are working alongside all of our federations to achieve this.

We're expecting 2017 to be the biggest World Championship to date for our sport, so please register your interest as soon as possible!
